When tomorrow turns in today, yesterday, and someday that no more important in your memory, we suddenly realize that we are pushed forward by time. This is not a train in still in which you may feel forward when another train goes by. It is the truth that we've all grown up. And we become different.

RomanBeauty **RM-DF601/602**

Ultra light weight design. Alternative: Built-in ion generator emits millions of negative ions to dry hair faster, lock in hair's natural moisture, and eliminate frizz. The result is full volume, radiant hair. Compact, lightweight, and well balanced. 2 speed and 3 heat settings plus cool shot button. Controls on the side of the handle are comfortable and convenient. 1700-2000 watts.
